

Mrs. Richardson's Suggested Supply List - 2017-2018

Below is the suggested supply list for 1R this year. Many of the items you may already have at home, or they can be purchased at a local office supply store. For your convenience, you can also purchase them online via Amazon. Click the link on our home page to visit our class list at Amazon.

The only items you need to label are your child's binder and extra set of clothing. All others are for communal use and do not need to be labeled.

- 4 hi-polymer, white erasers - you may need to replenish them throughout the year.
- 4 black Expo brand, fine-point, dry erase markers.
- 1 package Crayola Classic colors markers, broad line.
- 1 package of Crayola Twistables crayons
- 10-12 glue sticks for communal use - you may need to replenish them throughout the year.
- 1 bottle of liquid soap for communal use.
- 1 box of Puffs brand tissues for communal use.
- 2-3 large packages of Clorox brand disinfecting wipes to clean our desks after we eat snack.
- 1" poly binder with round rings and a clear pocket on the front. This is your child's First Grade Portfolio Binder and will be returned to you at the end of the year.
- 1 gallon-sized, clear Ziploc plastic bag filled with a change of clothes including underwear and socks for your child to keep at school, labeled with his or her name. The clothing should be updated as the weather changes, and will be returned to you at the end of the year.

Note: scholarships for supplies are available by contacting Dr. Brown at 617-879-4506 or mary_brown@psbma.org
